<sup>(2)</sup> water temperature 0°C to +32°C

<sup>(3)</sup> all single-phase motors must comply with IE2

- Multi speed motors (2-speed, 3-speed) are exempt.
- Inverter duty motors per IEC60034-25 are exempt because they are not rated for DOL.
- Identical replacement motors may be supplied if the original motors were placed on the market before 1 July 2022. A statement that the motor may only be used as a replacement part must be on the motor, packaging and in documentation.
